Fire Safety Undertaking

SELF-DECLARATION REGARDING FIRE SAFETY

I, the undersigned, Principal of EKLAVYA MODEL RESIDENTIAL SCHOOL BHAMINI, hereby declare that the school building is presently under construction and the construction work is still in progress. The building does not have a second floor at present.

In view of the ongoing construction and the present structure of the building, the school has not been able to obtain/provide a Fire Safety Certificate at this stage.

However, we hereby assure and undertake that the safety and security of the students and staff are our utmost priority. All necessary precautionary and safety measures are being taken within the available infrastructure to ensure the safety of the children. The school authorities are continuously monitoring the premises and taking appropriate measures to prevent any untoward incident.

We further undertake that, upon completion of the construction work and as soon as the building becomes eligible for the required statutory certification, the necessary Fire Safety Certificate/NOC will be obtained from the competent authority.

This declaration is being furnished in good faith for official purposes.
